

CEA Partner Institutions

International Business Accreditations

CEA selects partner institutions that share a high standard of academic rigor and are formally recognized and/or accredited within their host country or in the U.S. Many partners also hold accreditations by international associations, including the [Association to Advance Collegiate Schools of Business \(AACSB\)](#), [European Quality Improvement System \(EQUIS\)](#), and [Association of MBAs \(AMBA\)](#).

CEA Study Centers

The Pompea College of Business at the University of New Haven (UNH), CEA's School of Record, holds AACSB accreditation. While this accreditation does not formally extend to CEA's business courses, faculty from the College of Business sit on the UNH School of Record Committee. This committee provides extensive oversight of CEA's academic operations including approval of teaching faculty, curriculum design, and course approvals.
