

CEA CAPA Policies

Students should be familiar with CEA CAPA's complete housing policies and CEA CAPA housing description and regulations below before confirming their housing application. CEA CAPA Housing policies can be found on our website: www.ceaStudyAbroad.com/docs/default-source/policy-library/CEA_Policies.

Homestay Overview

CEA CAPA students can choose to live with a Spanish homestay. This is a great way to experience Spanish culture firsthand. Homestays are typically located within a 15-35 minute walk from the University of Granada. Choosing a homestay will give you the opportunity to enhance your Spanish language skills and cultural understanding. Your host family will make sure you feel comfortable in your new home providing you with the opportunity to dive headfirst into the daily lives of Spanish locals. Each homestay has been carefully chosen to ensure the best possible living arrangements for each student. Homestays may consist of a single señora although in most cases they are traditional two-parent households. Students will enjoy three traditional meals seven days a week as well as laundry and cleaning service.

Meals

Students will be provided three meals per day, seven days a week. Students should keep in mind that meals in Spain are different from what you are accustomed to in the US. Breakfast is typically very light, consisting of toast with coffee or milk. Lunch is the largest meal of the day and is usually eaten between 2:00pm and 3:00pm. Dinner is a bit lighter and is usually eaten at 9:00 pm. Students will be expected to eat at the times designated by their family and in most cases will not have access to the kitchen between meals. In addition, students are expected to notify their family if they will be arriving late for or missing any meals.

Phone and Internet

CEA CAPA requires that students have a local service phone number available to staff for emergency contact purposes. Relying on Wi Fi spots for communication is not dependable and will not ensure that CEA CAPA staff can reach you in the case of an emergency. Students may choose to acquire a cell phone prior to departure or once they arrive at their study abroad destination. Once students arrive to their program destination, CEA CAPA program staff will share more information regarding local cell phone options.

All CEA CAPA homestays have Internet connection; however, service in Spain varies from what students might be used to at home. We recommend that students bring their laptops since there is free wireless connection at the University of Granada and many local cafés with free Wi-Fi access.

Linens

Students will be provided with all bed linens and towels.

Laundry

Students will receive laundry service at least once per week. Students will not have access to laundry facilities in their homestay.

Smoking

Smoking may be permitted in some homestays. Each host family will provide specific details about whether or not they permit smoking in the flat and if so, where smoking is permitted.

Amenities

As a guest in someone's home, students should always ask before using items in the home.

All rooms are fully furnished including a bed, desk, dresser, closet, and shared bathroom. As guest in someone's home, students should always ask before using items in the home. Please also note, students will be required to take quick showers (10 minutes maximum) and may be taken between 7:30 am to 10:00 pm. Students are allowed only one shower per day.

Guest

CEA CAPA students are responsible for the conduct of their guests while in CEA CAPA housing. Overnight guests are not permitted in any housing assignment.

CEA CAPA students must notify their host family in advance if they plan to bring a guest into the flat.

Curfew

There is no curfew in any homestay. However, students must be respectful of their family when coming home late.

Keys & Security

Each student will be issued keys to their housing upon check-in. Under no circumstances may students make a copy of their keys. In the event that keys are lost during the program, students will be responsible for the cost of replacement. A minimum fee of \$50 will be deducted from the program damage deposit for each set of keys not returned upon completion of the program. In addition, students are required to follow any additional security procedures as dictated by their specific housing assignment/facility.

Housing checks

CEA CAPA will monitor together with the housing provider the check in process before the student arrival. In case of any problem relating the furniture or amenities in the homestay, CEA CAPA together with the housing provider will monitor this situation. Students must adhere to the proper check-out procedures when vacating CEA CAPA housing, which include turning in keys, removing personal items, waste and debris, and leaving the room/apartment in an acceptable and clean condition.

The CEA CAPA Onsite Staff will make every effort to inform students of any fees that will be withheld from the program deposit prior to departure; however, CEA CAPA reserves the right to inspect housing after students' departure.

Housing Problems

In case of housing problems, students must contact the CEA CAPA Onsite staff immediately. The Onsite staff will work with the family and the student to facilitate communication and try to resolve any problem that may arise.

Students agree to make CEA CAPA staff aware of any conflicts or significant disagreements regarding issues with roommates. CEA CAPA staff has the authority to intervene and take appropriate action regarding such disputes which may include, without limitation, a change of housing assignments, and students agree to cooperate with CEA CAPA staff. Students will be responsible for any costs associated with resolution.

Utilities

CEA CAPA will cover up a limited amount of utility expenses per person and month. Students who incur utility charges above and beyond what is deemed reasonable by CEA CAPA will be responsible for paying the excessive charges. It may take up to three months for foreign utility bills to be issued; therefore, CEA CAPA reserves the right to hold program deposits until all utility bills have been reviewed. If the program damage deposit does not cover all utility charges, the student will be billed accordingly. CEA CAPA reserves the right to withhold academic transcripts for any outstanding balance on student accounts.

Please note that utility rates are typically much higher than in the US. Students are expected to be mindful of this when using electricity in their host country, and to be more conservative than they might otherwise be accustomed to.

Damages

All students must respect all furniture, property, and other items provided. All damage, even unintentional, will be billed to the student responsible. If responsibility cannot be determined, the cost will be split equally among all residents. Please note if excessive cleaning and/or trash removal is required at the end of the program, students will be responsible for all additional costs incurred. In addition, CEA CAPA will, without liability, dispose of any personal items left in CEA CAPA housing at the end of this contract term. If the program damage deposit does not cover all charges, the student will be billed accordingly. CEA CAPA reserves the right to withhold academic transcripts for any outstanding balance on student accounts.
