General Rules & Guidelines

1. I agree that I am a guest in my host country and am prepared to learn about and adapt to the cultural differences that I may encounter. I understand that the rules and etiquette in my assigned housing may be different than what I may be accustomed to at my home institution.
2. I agree to be respectful of my roommates and their personal items. I understand that part of my experience is learning to live with others and to respect and appreciate personal differences. I understand that if I am unable to resolve any conflict that may arise between my roommates and me within a reasonable timeframe, that CEA resident staff has the authority to intervene and take appropriate actions, which may include, but may not be limited to, a change of housing. I further understand that I will be responsible for any costs incurred as a result of such an event.
3. I agree to be respectful of all residential and building property. This includes all items within my room, shared common areas, and the building. This also includes keeping my room and/or apartment clean throughout the duration of my program. Please see Damages section below for further details regarding cleaning.
4. I agree to be respectful of my neighbors, both within my building and in the surrounding areas. This includes keeping noise levels down and being discreet and quiet in the surrounding streets when coming home late. In many countries, it is against the law to make excessive noise after 10 pm.
5. I understand that as a representative of CEA, my home university, and the US, I am expected to conduct myself in a considerate and respectful manner while in my housing.
