Purchase Extra Month of Coverage (Purchase Individual Coverage)

The participant portal allows you to purchase additional insurance directly through CISI for a period of personal travel (up to one month) outside the dates of your overseas program. **Please Note:** this plan is separate and different from your group study abroad plan and provides coverage for new covered accidents/sicknesses and medical evacuation/repatriation within the new period of coverage while outside the U.S. A detailed brochure describing the coverages, limits and exclusions is available through a link on this “**Extend Coverage**” page.

If you are looking to purchase coverage before your program begins, please follow the instructions below since you will not be able to do it through your myCISI portal:

- ▶ Go to www.mycisi.com
- ▶ Select ‘Insurance Plans’
- ▶ Then choose ‘Insurance Plans for Studying Outside of the U.S.’
- ▶ Select ‘Upgrade Comprehensive’ (this coverage is the most similar to the one you have through your program)
- ▶ Select ‘Enroll Now’ at the bottom of the ‘Upgraded Comprehensive’ box
- ▶ From there follow the steps to enroll

Please Note: If you are looking to purchase coverage **Before and After** your program, the month of coverage cannot be split up into two segments (i.e. 2 weeks before and 2 weeks after). This coverage is monthly, so if you are traveling for less than a month before or after your program, you still need to purchase the full month.

If you have questions or need additional assistance, please contact enrollments@mycisi.com or call 203-399-5509 or 800-303-8120 ext. 5509 (toll-free from within the U.S.)

Claim Information

If you seek medical treatment for an injury or sickness while abroad and pay out-of-pocket, you are eligible to submit a claim for reimbursement. This page will allow you to download a Claim Form to complete. Please follow the directions at the top of the form, and make sure to include any medical documentation you received during your visit and receipts for the out-of-pocket expenses.

For your reference, below is some helpful information on how to handle both minor injuries or illnesses and more serious situations.

In Case of a Minor Injury or Illness:

- ▶ *Insureds using this insurance should be prepared to pay out-of-pocket for doctor visits for minor illnesses such as a sore throat or a sinus infection, for example.*
- ▶ *CISI's billing address and claim help # is on each ID card and on the claim form which is part of the brochure. If medical expenses are incurred while abroad, the claim form and scanned copies of the itemized paid bill(s) can be emailed to claimhelp@mycisi.com. CISI's claim help line (203-399-5130) and e-mail address (claimhelp@mycisi.com) are answered from 9-5 EST M-F.*
- ▶ *Claims should be submitted for processing as soon as possible (and no later than one year after treatment was received, if possible) and are typically processed within 15 business days provided CISI has all the information needed for reimbursement.*
- ▶ *A case does not need to be opened in advance in order for us to pay a claim for covered expenses for minor injuries/illnesses. Team Assist (our 24/7 assistance provider) can help provide referrals to doctors/hospitals if needed but insureds may visit any provider they would like and eligible expenses will be covered at 100% (in other words, CISI does not have network restrictions).*

In Case of a Serious Injury or Illness:

- ▶ **For all emergencies, seek help without delay at the nearest facility and then, after admittance, open up a case with Team Assist (our 24/7 assistance provider).**
- ▶ *To avoid any delay in treatment, the insured (or someone with the insured) may need to provide a personal payment method to the hospital up front. Once a case is opened, however, it is always our goal to have the hospital or facility bill us directly so that neither the program/sponsor/school nor the insured needs to provide payment. In these types of situations, the insured (or someone calling on his/her behalf) needs to open a medical file with Team Assist asking for help with this. If personal payment has already been processed, we can expedite reimbursement.*
- ▶ *Our Team Assist medical/travel/technical partner and i-JET (our security partner) are both 24/7 operations. To keep things simple for our insureds, the number to call for a medical/travel/technical issue is the same as for a security related issue. The toll-free 800 and non-800 (when calling from overseas) numbers are on the ID card and in the brochure under the claim form.*
- ▶ *If a benefit or claim related call or e-mail comes to Team Assist during our business hours it is usually transferred to us. After hours and on weekends, Team Assist handles the communications and involves our Claims Operations Manager as needed 24/7.*

Emergency Contact Information

The participant portal 'Emergency Contact Information' page provides you with convenient one-stop access to CISI's contact information for benefit and claim questions and also that of Team Assist, our 24/7 Emergency Assistance Provider. You can also find this information on your insurance ID card.

Please Note: You do not have to 'Check-in' if nothing has occurred. You will only want to check-in when you want to notify your program and us that you are safe if there is a natural disaster, terrorist attack, or other security-related incident.

**Alerts will not be automatically sent to your phone after you check in. Your program will work on a communication plan with CISI for contacting participants after an incident occurs.*
